TORONTO ARTS FOUNDATION - PROGRAMS

At the Toronto Arts Foundation, we believe that a great city demands great art, and by supporting, celebrating, financing and advocating for Toronto's local artists, we're improving the quality of life of all Torontonians. The Foundation has created several innovative programs to fulfill its vision:

Toronto Arts Foundation Awards

Toronto Arts Foundation Awards distributes annual awards, this year totalling \$39,500. Presented at the Mayor's Arts Awards Lunch each October to Toronto's artistic leaders and champions, the awards provide the Foundation with the opportunity to build awareness and to celebrate the incredible contribution artists make to the City of Toronto. The awards are supported through the generosity of private and corporate donors.

Creative City: Block by Block

Creative City: Block by Block seeks to connect every Toronto neighbourhood with the transformative power of artistic activity, while building capacity for artists and arts organizations.

First Impressions: Telling Toronto's Stories

First Impressions is a partnership project between Toronto Arts Council and Heritage Toronto, launched in September 2009 on TTC subway cars and buses in recognition of the City's 175th birthday, the TAC's 35th anniversary, and the importance of arts and heritage in Toronto.

INCUBATE: Bringing Toronto's Artists to the World Stage

An innovative partnership between Toronto Arts Foundation, Toronto Arts Council and Luminato, Toronto Festival of Arts & Creativity

Volunteer Network

The Toronto Arts Foundation Volunteer Network connects over 500 volunteers through an e-bulletin, enabling cultural initiatives of all kinds to be realized. Volunteers gain a deep appreciation for Toronto arts as well as an opportunity to learn new skills, expand their networks and experience personal growth.
